RUIJIE SECTOR ANTENNAS – RG-ANT20S-90 & RG-ANT16S-120

— High-Speed Wireless Bridge Built for
Distance and Demand

These Ruijie sector antennas (90° & 120°) deliver
focused, long-range coverage for point-to-
multipoint outdoor deployments , ideal for
base station setups.

RUIJIE OMNI ANTENNA – RG-ANT13-360

— 360° Coverage. Stable. All-Around.

This omnidirectional antenna provides full-
circle signal distribution, ideal for wide open
spaces or centralized deployments where even
coverage in all directions is essential.

HIGHLIGHTS FROM THE RUIJIE REYEE AIRMETRO EVENT — ERBIL

Back in May, Lions Fort Co. proudly hosted the Ruijie Reyee AirMetro Event in Erbil, a day filled with innovation, expert insights, and hands-on demonstrations of Ruijie's latest wireless solutions. The event brought together professionals, partners, and tech enthusiasts from across the region.

We're grateful for everyone who joined us and helped make the event a success. Stay tuned — more events, innovations, and partnerships are on the way.

REVOLUTIONIZE THE WAY YOU WORK & LEARN! ONESCREEN ARRIVES

We're proud to announce that Lions Fort Co. is now the official distributor of OneScreen — the powerful all-in-one smart board solution from the USA!

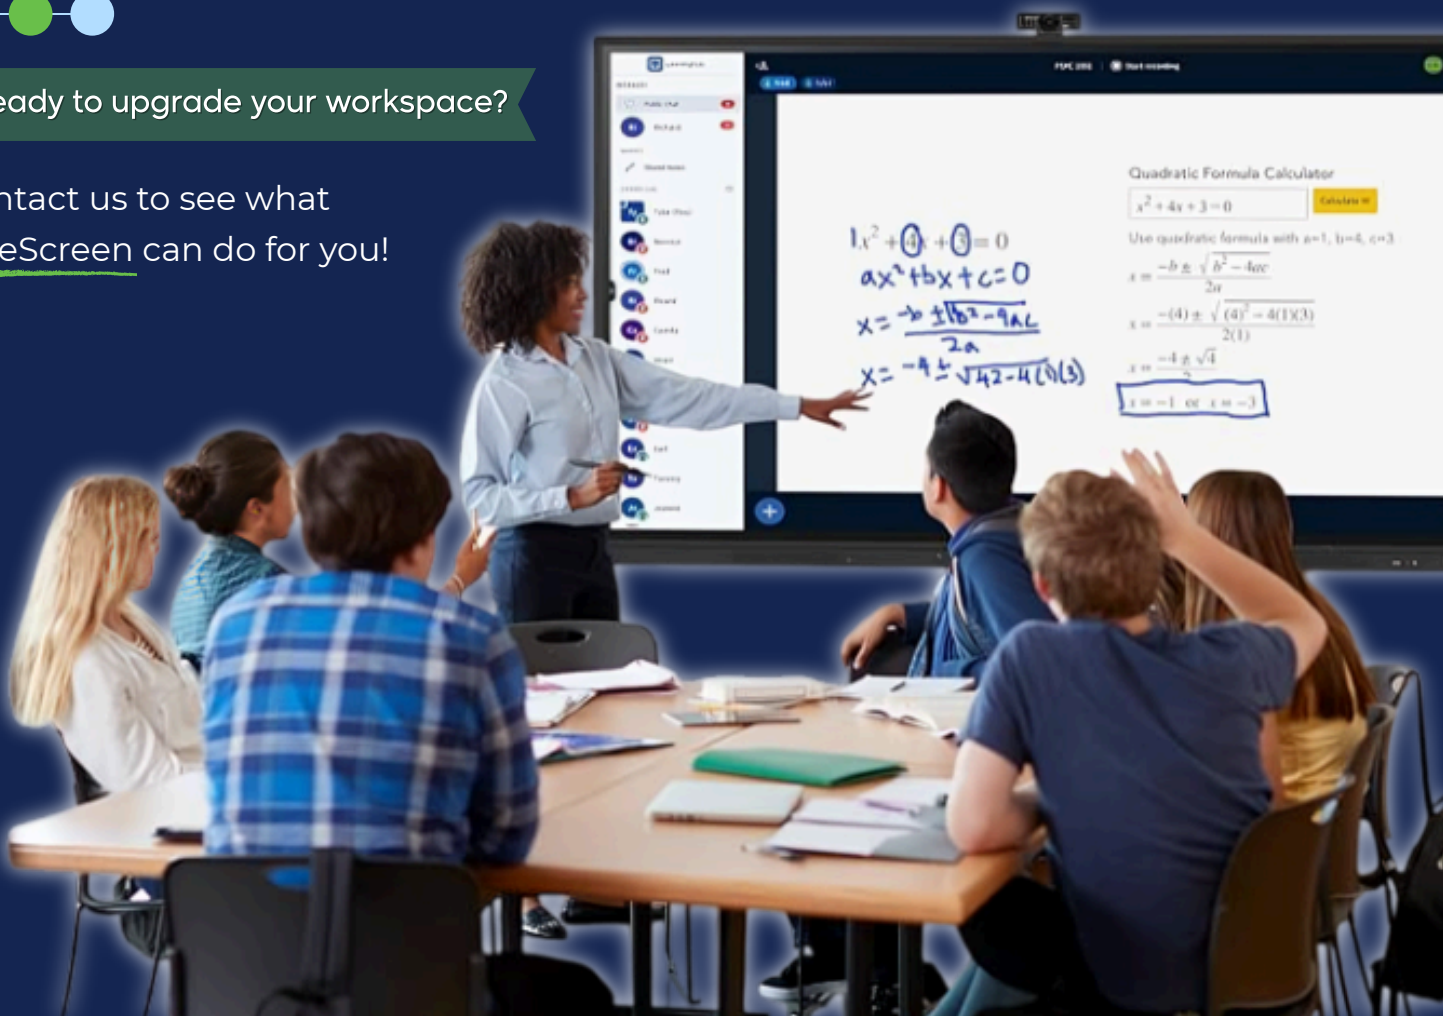

— Smart. Simple. Seamless.

OneScreen combines touchscreen display, video conferencing, whiteboarding, and collaboration tools in one sleek device, perfect for **education**, **business**, and **training** environments.
